RESOLUTION

This appeal was brought before the Board of Appeals, sitting as the Board of Zoning Appeals for the Maryland-Washington Regional District in Prince George's County, Maryland (the "Board"), requesting a variance from the strict application of the provisions of Subtitle 27 of the Prince George's County Code (the "Zoning Ordinance").

In this appeal, a proceeding pursuant to Section 27-229 of the Zoning Ordinance, Petitioner requested that the Board approve a variance from Section 27-442(c)(Table II) which prescribes that not more than 10% of the net lot area shall be covered by buildings and off-street parking. Petitioner proposes to construct a new single-family dwelling and driveway. A variance of .1% net lot coverage was requested.

This matter was scheduled for hearing on September 11, 2013, and notices of the hearing sent to all parties on August 27, 2013. At the meeting of the Board on September 11, 2013, Petitioner withdrew the appeal.

BE IT THEREFORE RESOLVED, unanimously, that the appeal be and hereby is DISMISSED.
