OPENING REMARKS/REVIEW OF MINUTES:

Chair Earl Adams, Jr., called the meeting to order at 10:05 a.m. The Commission reviewed the minutes from the December meeting but the minutes were not approved for lack of a quorum. The minutes will be approved at the February meeting.

WORKING SESSION:

The Chair discussed the need for an interim report and shared his ideas with Commission Members. The Chair also informed the members that an outline would be drafted and shared with everyone. A deadline of February 5th was imposed for comments on the draft interim report.

The Commission had a very frank discussion with Council Chair Davis about the context of the report. It was expressed that the report needs to give an accurate description of the county's financial outlook and the gravity of the current fiscal situation. This approach was agreed by all.

The Chair further discussed five areas he would like the Committee to concentrate on in future meetings:

- Economic Development
- Land Use Policy
- Commercial Revenue Opportunities
- Organization Structure of County Government
- Capital Investments and Procurement

It was decided that the Commission's public hearing would take place in March 2016 at Harmony Hall. Logistics will continue to be worked out.
